

THE MARY BEALE

R E S T A U R A N T

WELCOME BACK TO THE MARY BEALE RESTAURANT & TERRACE BAR AT WEST LODGE PARK HOTEL

We are very excited to be reopening our Bar and Terrace from Monday 13th July 2020.

As you can imagine, things have changed a tad since your last visit. We are strictly following government guidelines and are committed to the safety and wellbeing of both our guests and staff during these challenging times.

It is fantastic to welcome back our wonderful guests, where we will greet you warmly without a handshake or a hug.

You should book ahead via telephone or online as we may not always have the capacity to take walk-in bookings. We do not want to leave anyone feeling disappointed. Any walk-in bookings must register their details at our hotel reception for track and trace purposes.

Please kindly take note of the below details:

- be aware of floor markings, entry and exit points and maintain social distancing with other guests and hotel staff at all times
- on arrival, please wait to be seated by one of our friendly team
- we kindly ask guests to sanitise their hands using one of our various dedicated sanitising stations
- we offer a generous two hours maximum time slot per table
- table bookings must be a maximum of 6 guests (including children and babies) from 2 alternate households only
- we will provide you with full table service, so you can relax and enjoy your experience with us, without needing to be at the bar
- where possible, please pay with a card – we now have a £45 contactless limit

Let's work together in preventing the spread of Covid 19 by following the correct guidelines and by having an enjoyable dining experience safely. Please be patient with our team as we try hard to provide you with the best possible service.

The Mary Beale Restaurant itself will be reopening very soon for lunch and dinner, and we will announce the dates for this in due course.

We thank you in advance for all your support.

Kind regards

John Mills
Restaurant Manager
