

Beale Arboretum Summer News ~ August 2019

The **Punica granatum (pomegranate)** has a beautiful red trumpet shaped flowers with ruffled petals before it fruits.

Certainly worth a look, you'll find this tucked away by the biblical wall.

Punica granatum pomegranate

Another hidden gem is the **Tetradium danielli**. A species of flowering plant in the rutaceae family, it is commonly known as the bee-bee tree or Korean evoida .

You will find it surrounded by honey bees all through the summer.

Tetradium danielli Euodia tree

Across the main lawn you will see the **Aesculus californica**, commonly known as the California horse chestnut.

Keep an eye out for the spectacular white flowers that it produces at this time of the year.

Magnolia grandiflora Exmouth

Don't miss taking a stroll past the splendid **Magnolia grandiflora**, with its beautiful large cream flowers and fresh lemony fragrance it's worth passing by.

As a mature tree it will flower all summer long ... as one flower drops, the next is already bursting through.

Rosa 'Savoy Hotel'

Take a look at the **Rosa 'Savoy Hotel'** along with the stunning summer bedding plants in the border by the terrace.

Liquidambar 'Silver King' sweet gum

Liquidambar 'Silver King', a large upright conical tree. The five lobed leaves have irregular creamy white margins spreading into the leaves to create grey-grey areas and developing a pink flush in late summer. This tree was kindly donated by our Estates Manager, Grant Cook.

Paul Baynes ~ Head Gardener

If you are interested in **planting a commemorative tree** in the grounds this autumn, perhaps to celebrate the life of a loved one, or for a special occasion, please contact Grant Cook, Estates Manager - grantcook@bealeshotels.co.uk or 07973 538254.

If you are interested in putting together a group for a **guided tour** of the Beale Arboretum, please contact Jane Gray - headoffice@bealeshotels.co.uk or 020 8216 3904 - Tours are free of charge midweek and £3.50 per person at the weekend.
