Our food

At West Lodge Park we are incredibly proud of our reputation for delicious, high-quality food. Not just for our wedding guests but for all our guests, 365 days of the year.

Whether you are planning an intimate ceremony for a handful of guests or an extravagant gathering for hundreds, the quality and service you will receive from our hospitality team is of the highest calibre.

From the initial planning stages we work with our wedding couples to ensure that their menu choice will be as memorable and enjoyable as every other part of their day. Our talented team can recommend seasonal choices and specialities to suit both your taste and your budget.

The little things

Master of ceremonies

We would recommend a toastmaster, who will efficiently assist with the smooth running of your day and help with announcements. Alternatively, our Events Manager will be able to provide these services to you on the day.

Wedding cake

We request that your cake maker delivers your wedding cake to the hotel on the day of your wedding. We have a 15" or 12" silver round or a 14" square cake stand with silver knife available on a complimentary basis.

Linen

All our linen is white. You may wish to hire chair covers and sashes. We recommend you order these in plenty of time from one of our trusted suppliers.

Menus, table plan and place cards

We ask you to deliver your final table plan and place cards to the hotel two days prior to your wedding. Our board for displaying table plans is A1 size in landscape. We will supply you with a floor plan so that you can show us where you would like each table positioned in the room and we will also ask you to complete a plan for each individual table so we know where each guest should be seated. We can produce your place cards, menus and table plan on a complimentary basis. If so, we would request the information seven days before the wedding.

Children

Children aged twelve and under may eat a smaller portion of the adult menu, which is charged at 2/3 of the adult price, or a meal from our children's menu. We have a number of highchairs and booster seats available. Please request these when meeting with your wedding co-ordinator 4 weeks prior to your wedding.

Appointments to discuss your wedding

We suggest a meeting with your wedding co-ordinator to discuss the details for your wedding takes place 4-6 weeks prior to the day. Appointments can be made through the Events Office and are available from 8.30am – 6pm Monday to Friday. A limited number of appointments are also available on a Saturday.

Music

In order to comply with the requirements of our Public Entertainment Licence and for the comfort of our residents, we require music to finish at 11.30pm and the noise levels will be monitored during the event. Either a DJ or live band can be arranged but should be from our approved supplier list or approved by our Director of Music if not.

Deposits and payments

An initial deposit of £500 is required to secure your booking. A further payment based on your contracted minimum number of guests multiplied by the minimum menu spend is required twelve weeks prior to your wedding. 100% of the estimated total cost is required 28 days prior to your wedding day. All balances should be checked and settled on departure. In the unfortunate event that you need to cancel your wedding, cancellation charges will apply, as per our terms & conditions, unless we are able to re-sell the facilities for the same value.

The house and gardens

Some areas of the house and gardens have uneven surfaces and you and your guests should take care. Children must be accompanied by an adult at all times, particularly near the ponds and beehives.

Special notes

We welcome our guests to enjoy the private open-air terrace, and surrounding gardens. However, we request that wedding guests do not gather in the Main Terrace or Terrace Bar so that we can ensure we meet our commitments to hotel guests while also providing an enjoyable experience for everyone involved.
