

West Lodge Park
YOUR LONDON RETREAT

THE TERRACE BAR AND HOTEL LOUNGE

At West Lodge Park, we try to source our food locally where possible, as befits a company that has been present in the area for eight generations and whose family has links in Hertfordshire back to the fifteenth century.

We are passionate believers in supporting the local area. Please see our local food brochure if you would like more information on the local produce.

Non-Residents

Our bar and lounges are open to non-residents between 10.00am and 10.00pm, and until 10.45pm for drinks. From 11.00pm onwards, the bar terrace and lounge is reserved for the sole use of hotel residents.

Electronic Devices

Our lounges are not intended for business meetings, nor working sessions. We therefore respectfully request you do not disturb other guests with calls from mobile phones or with the use of laptops and tablets.

We have a number of meeting rooms available for business meetings, please ask at reception for details.

Allergens

V Vegetarian - VE Vegan

Please ask your waiter if you would like full allergen information.

We produce food in a kitchen where allergens are handled and while we try to keep things separate, we cannot guarantee that any item is allergen free.
